"Nanosecond Warfare"

Geoffrey Nicoletti

Retired---Computer Moderator at La Salle College High School
Willow Grove, Pennsylvania, United States

Summary

Ed Snowden stole files from Booz Allen Hamilton on March 13, 2013. Two days before I delivered a file (a white paper) to Colonel Frank Nazaroff at Booz Allen Hamilton on a new payload for Stuxnet (Olympic Games).

Pierluigi Paganini of European cyber security published my paper (now cited over 8,000 times) entitled, "Nanosecond Warfare" (January 2017; eDEFENSE magazine)---dealing with nation-state cyber security.
