Education

Aerospace Science and Technology

Universitat Politecnica de Catalunya 

2021 – present

Barcelona, Spain

Physics Engineering

Universidad Tecnologica de Pereira 

2015 – 2020

Pereira, Colombia

Professional Experience

Control Systems Engineer

Wolfram Research Inc. 

04/2021 – 04/2022

Remote

Started as an intern, my work consists of revamping and creating control systems documentation for the Wolfram Mathematica software spanning simple classical control systems up to advanced feedback control, which constitutes repertoire of control related functions in the Wolfram Language.

English Language Instructor

Berlitz 

01/2021 – 04/2021

Pereira, Colombia

English instructor at the Berlitz language institute. I worked remotely teaching and interacting with people from all over the globe imparting important language skills and abilities according to a highly rigorous and defined method.

Mathematics Instructor

Universidad Tecnologica de Pereira 

08/2018 – 06/2020

Pereira, Colombia

I was a mathematics (calculus 1 & 2) monitor and instructor. I assisted students with explanations, classwork, and assignments as well as substitute the teacher when needed.
