

**Universidad
del Valle**

Education

Mathematician at Universidad del Valle

I am currently working on the undergraduate project (thesis) to finish my degree in Mathematics. My degree is in December 2020.

Work Experience

I have no experience working in companies but I am very proactive, self-taught and I really want to start my working life.

Skills

- ✓ Mathematics
- ✓ \LaTeX
- ✓ R
- ✓ Self-thought
- ✓ Statistics
- ✓ Wolfram Language
- ✓ English
- ✓ Generating reports.

Interests

I like scientific research where I can apply knowledge of mathematics, statistics, and computation. I am interested in programming, machine learning and artificial intelligence.
